

Beeslack Community High School

Curriculum for Excellence S3 Personalisation and Choice

Pupil Name: _____ Class: _____

Career Interest: _____

Forms should be checked and signed by your Pupil Support teacher and returned to the school office by Friday 25th March 2022.

Subject Options

In S3 you will begin to personalise the subjects you study as you progress towards the Senior Phase of Curriculum for Excellence.

We recommend you choose at least one subject from all of the curricular areas below, however, consideration will be given on an individual basis to pupils who do not wish to continue with a particular curriculum area. This will be discussed with you at your pathways interview and must be supported by a letter from your parent/carer. * Please discuss with guidance teacher before choosing this option.

Curricular Area	S3 Subject Options	In this box indicate the six subjects (excluding English and Maths) that you wish to focus on next session.
