17 February 2020

Dear Parent/Carer

NHS Lothian Advice - Coronavirus

Following the mid-term break please find details of information shared by NHS Lothian with schools with regard to Coronavirus.

We appreciate that this is an ever changing situation and the most up to date advice can be accessed from the websites included on the information sheet provided to schools this morning.

Many GP surgeries have sent out information directly to patients registered with their practice, please follow their specific guidance with regard to GP appointments.

Yours sincerely

Headteacher
