Headteacher Miss Lynn Black

28 February 2020

Dear Parent/Carer

Please find details of additional supported study sessions that we are holding for senior phase students in March. The sessions begin next week and are predominately on a Tuesday and Wednesday from 3.30pm – 5.30pm.

All of the sessions will be led by a subject specialist and we will provide refreshments for students who come along.

We would really appreciate your support in encouraging your son/daughter to attend the sessions that are most relevant to them over the coming weeks.

Yours sincerely

Lynn Black  
Headteacher
