Headteacher Miss Lynn Black

14 August 2020

Dear Parent/Carer

We have made it to the end of our first week back! It has been an absolute delight to have pupils back in the building and meeting each of the year groups respectively.

I have been particularly impressed with the way in which pupils have responded to our new health and safety protocols and have demonstrated patience, understanding and respect for all members of our community. Our school values have certainly come to the fore. I also want to make a special mention for the small group of S6 pupils who have attended school all week to help support our new S1 pupils settle in – they have been a magnificent support and great ambassadors for the school.

We will continually monitor our processes and keep you updated with any amendments as guidance changes and the term progresses.

Next week we have all pupils back in the building and we are looking forward to getting back into regular routines and a degree of normality.

I hope you all have a relaxing weekend and please do contact us if you have any questions or queries regarding our return to school.

Yours faithfully

Lynn Black  
Headteacher
