Headteacher Miss Lynn Black

3 November 2020

Dear Parent/Carer

We have received complaints about a small number of pupils failing to wear their face masks in Tesco. Most do wear their masks on entry but often they are removed as the youngsters approach the checkout.

Tesco have informed us that they reserve the right to refuse to serve any customers not wearing a face mask.

If your youngster is a regular Tesco user can you please encourage them to wear their face masks for reasons of health and safety?

Yours faithfully

*John Ryan*
