Dear Parents/Carers

Further to our previous communication regarding the course choice process, I attach the link required to complete the S2 into S3 course choice form.

In S3 your child will begin to personalise the subjects they study as they progress towards the Senior Phase of the Curriculum for Excellence.

We recommend you choose at least one subject from all of the curricular areas listed in the form; however, consideration will be given on an individual basis to pupils who do not wish to continue with a particular curriculum area. If you do not wish to continue with a specific area, please leave that section blank and select another choice from a different area. This can be discussed further in the course choice meetings next week. You should choose 8 subjects. **Please note two of these must be English and Maths.**

Please complete this form by Friday 19th March so our course choice interviews can begin on Monday 22nd March.

Yours Sincerely

J MacWhirter
