

SUPPORTING SENIOR PHASE LEARNERS

e-Sgoil

As part of the National e-Learning Offer, e-Sgoil continues to offer support to learners complementary to in-school provision through Glow.

STUDY SUPPORT WEBINARS

A wide range of live, interactive webinar lessons to help consolidate learning offered weekly. Flipped learning materials are shared in advance.

[Sign up here](#)

LEARNING SPACES

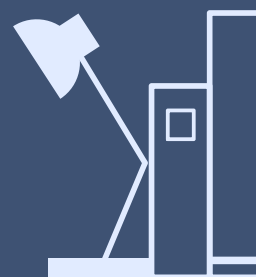

The Learning Spaces offer young people interactive subject specific support across a range of courses and levels from National 3 to Advanced Higher.

HELP DESK SPOTLIGHT SESSIONS

The Senior Phase Help Desk supports young people through "live" spotlight sessions which signpost learners, and teachers, to the Live, Recorded and Supported resources.

SUBJECT DROP-INS

Timetabled Subject Drop-In sessions are available to learners who have been specifically identified by their school. Learners can access the Drop-Ins to get support and/or discuss specific questions with a subject specialist teacher.

To discuss this further, and sign up learners, please call Rhona Johnstone on 07795291542 (Monday - Friday 10am - 5pm)

How to Access

Participants will need their Glow Login details, which they can get from their school.

For Study Support and Subject Drop-Ins, learners will be added to a Microsoft Team following sign up.
