Beeslack Covid Update

Dear Parent/Carer

I would like to thank you all for your continued support over this last week as we moved to blended learning for S1 and S2. I know that many of you are supporting your children and young people while juggling other responsibilities and appreciate the challenge that presents.

As a result of the continuing impact on staffing due to self isolation the decision has been taken for blended learning to continue for S1/S2 until Wednesday 26 May 2021.

All other year groups should continue to attend school. However, pupils and staff are being recommended to take lateral flow tests at home before returning to school on Wednesday 26 May, and staying at home to self-isolate should they test positive.

The school will send out further communication directly with parents, carers and students about these arrangements.

We appreciate you working in partnership with us at this challenging time.

Yours sincerely
