Headteacher Miss Lynn Black

Dear Parent/Carer

Covid-19 Update – 21st May 2021

As we finish for the extended weekend for pupils I am pleased to report that we have had no further Covid-19 cases.

Please take some time over the weekend to reiterate with your child the importance of following all health protection measures while in school. It is really important that we work together to keep everyone safe whilst restrictions are easing nationally. It has been a stark reminder to us all in the last two weeks that the virus is still circulating and can so easily be transmitted within communities.

I wish you all a relaxing weekend and I look forward to seeing all year groups return on Wednesday 26th.

Please get in touch if you require any further information.

Best wishes

L Black
