Headteacher Miss Lynn Black

Dear Parent/Carer

Covid-19 Update – 27th May 2021

It was lovely to welcome back all of our pupils yesterday and we are now settling back into routines. Unfortunately, Covid-19 is still transmitting within the local community and we have had to ask a number of pupils to self-isolate today.

Once again, we are working with the Health Protection Team to ensure everyone's safety. Siblings of close contacts are still being asked to isolate until the close contact returns a negative PCR test. This is to reduce the risk of transmission between year groups, families and other pupils in school.

There are a number of things you can continue to support us with;

- Reiterating the need to follow the health and safety protocols
- Signing up and participating in the asymptomatic testing programme
- Encouraging your child to remain outside for intervals and lunchtimes (weather permitting)

In school, staff continue to remind and advise pupils of our processes, touch point cleaners and enhanced cleaning is still in place. There are a minority of pupils who we always have to remind to wear their face coverings and sanitise their hands on entry and exit to the building and we will contact individual families if this persists.

Thank you once again for your support.

Best wishes

L Black
