22 December 2021

Dear Parents/Carers

Winter Newsletter

I delighted to share with you a bumper edition of our winter newsletter. Despite the many restrictions we are working in, the pupil experience is always at the centre of everything we do. I hope the newsletter gives you an insight into some of the many opportunities the pupils have had in school since we returned in August.

<https://sway.office.com/1LtF3j0c6H1NPA3?ref=Link&loc=play>

Thank you to the Music Department and our instrumental instructors who went the extra mile to put together a virtual Christmas concert that was shared with you all earlier this week. It certainly brought some much-needed Christmas cheer and the talent on display was amazing.

Covid -19 Updates

Our covid mitigations are again much tighter and we will go over these with pupils on the first day back. If there are any changes to the current plans for the re-opening of schools next term I will be in touch.

On return, there will be no school meals provision and pupils will be required to bring a packed lunch to school. All pupils who are in receipt of free school meals will receive a BACS payment as were paid previously. Please see the separate communication regarding school meals.

School closes today at 3.20pm and re-opens for pupils on the 11th of January at 8.30am. I wish you all a safe, healthy and peaceful festive season.

Best wishes

L Black
