22 March 2022

Dear Parent/Carer

Covid Contingency Plans Scenario 2 – High Levels of Staff Absence

As intimated in my letter on Sunday 20th March, we have reviewed our staffing situation for the remainder of the week. Our staff absence continues to be very high and we have no option but to continue with a home learning rota for S1-3 for the rest of this week. Our priority is to ensure we can safely cover all classes in school and provide a subject specialist, where possible, for all senior phase classes.

The timetable for the remainder of the week is outlined below:

Year Group	Wednesday 23 rd March	Thursday 24 th March	Friday 25 th March
S1	Home Learning	In School	In School
S2	In School	In School	Home Learning
S3	In school	Home Learning	In School
S4-6	In School	In School	In School

- This week appropriate assignments and materials will be posted to Google Classroom. The work set may directly reflect the work being completed in class. However, in some circumstances, including practical subjects, where completing practical activities may be restricted at home, there will be appropriate theory or consolidation work to complete instead.
- While school remains open, staff time will be focused on 'in class, in person' learning.

I will provide you with a further update on Friday as we review the staffing situation for next week. I am hopeful we will be able to have all pupils back in school.

Many thanks for your continued support.

Best Wishes

L Black
